The Tailor-made Workshop Solution

**trio** wall mounted & triple versatility

**duo** worktop or wall-mount

# spillpod®

for the first time brings together high performance wiping and absorption media to replace ineffective rags and messy granules.

- centralises all workshop wiping and absorbent needs
- high performance absorbents for efficient performance
- wallmount and worktop versions
- replaces messy granules
- spillpod pads are 8 times more absorbent than rags
- aesthetic unit suits all workshops
- dispenser unit also stores disposable gloves and degreaser
- overcomes inefficient rags
- high profile unit for easy identification
