

Absorbent Pads

Single Weight & Double Weight

- Bonded for extra strength
- Fine fibre finish for low linting properties
- Perforated to enhance flexibility & economy of use

E24

Order Code	Material	Packaging	Qty	Absorbs	€
GP25	Double Weight	Dispenser Box	25	25L	37.84
GP50	Single Weight	Dispenser Box	50	25L	37.84
GPS1	Double Weight	Dispenser Box	100	100L	134.55

GPL2	Single Weight	Dispenser Box	200	100L	134.55
GB200	Single Weight	Poly Wrapped	200	100L	128.24

Single Weight

- Medium weight so able to absorb .85 litres of oil per pad

Double Weight

- Medium weight so able to absorb over a litre of oil per pad

Absorbent Drum Toppers

- Double weight for maximum performance and able to absorb over a litre of oil per pad
- Bonded for extra strength
- Fine fibre finish for low linting properties

Material

DuraCap

E24

Absorbent Drum Toppers

- Absorbent drum pad toppers will keep your drums and barrels, clean and protect surrounding areas
- Great for absorbing drips from leaking pumps
- Manufactured with a pre-cut holes and fits drums up to 56cm diameter
- Will only absorb oil or hydrocarbon based liquids and oils and repel water

Packing: Dispenser Box

Order Code	Packaging	Quantity	Absorbs	€
ODT5	Poly Wrapped	5	5L	29.43

E24

Absorbent Socks

- Oil only absorbent socks are hydrophobic, they will repel water and will only absorb oil or hydrocarbon based products
- They will float on water and are ideal for use on waterways, ponds, collection pools & reservoirs
- Extremely effective at catching outdoor spills, even in the wet

Packing: Dispenser Box

Order Code	Quantity	Size	Absorbs	€

General Purpose

- Single dispensing point
- Durable all metal construction
- Stores three formats of absorbent
- Encourages improved house-keeping
- Developed for the aerospace industry
- Lockable cabinet for valuable consumable
- More cost effective than the equivalent sized spill kit
- Reduces the quality of absorbent packs on the shop-floor

E24

Order Code	Contents	Dimension	€
